ANNUAL REPORT

2016-17

FORWARD LOOKING STATEMENT

In this Annual Report, the forward - looking information if any, is for enabling investors to comprehend our prospects and take informed investment decisions. This report and other statements - written and oral - that we periodically make, contain forward - looking statements that set out anticipated results based on the management's plans and assumptions. We have tried, wherever possible to identify such statements by using words such as 'anticipates', 'estimates', 'expects', 'projects', 'intends', 'plans', 'believes', and words of similar substance in connection with any discussion of future performance.

We cannot guarantee that these forward - looking statements will be realized, although we believe we have been prudent in assumptions. The achievement of results is subject to risks, uncertainties and even inaccuracies in our assumptions. Should known or unknown risks or our uncertainties materialize, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected.

We undertake no obligation to publicly update any forward - looking statements, arising as a result of new information, future events or otherwise.

CHAIRMAN & MANAGING DIRECTOR'S MESSAGE

Dear Shareholders,

I present to you the Annual Report of your Company for the financial year 2016-17. India has experienced yet another year of suboptimal growth during the year under review. Weak domestic demand has led to large overcapacities in the manufacturing sector – the business space pertinent to your Company – and reluctance by private enterprise to undertake new capital investments.

However, despite the economic slowdown witnessed for the last few years, a sense of watchful optimism pervades the Indian industry and businesses. Revised GDP estimates for the ongoing fiscal year indicate some moderation in growth, albeit still above 7%, with both the Government and global multilateral agencies remaining confident in their upbeat projections about the future of the Indian economy.

There are some persistent areas of concern – foremost among them being low domestic demand. Aggregate capacity utilization declined all through the first three quarters of 2016-17, posting a low 72.7% as of December 2016. Some improvement in this figure is expected in the last quarter (Source: CII), though nothing significant. Industrial recovery has not firmed up yet. The Index of Industrial Production (IIP) has been charting an irregular course, with industrial growth decelerating to a 15-month low of 1.9% in February of 2017 before improving ever so slightly to 2.7% in March. The road building and material handling equipment industry in particular has remained downcast over the last few years on account of subdued infrastructural development in the

country. Developers, many of whom already burdened with liquidity issues, were averse to taking up new projects. Public sector banks, which have traditionally played the role of primary investors in infrastructure projects, have been constrained by rising non-performing assets.

Certainly, there are some positive tidings as well. The influx of foreign investment into the Indian economy is a strong indicator of global confidence in the India story, as evident from the positive market sentiments and the recent upsurge in the Rupee against the US Dollar. The Government has lined up a series of key structural reforms that are expected to have a positive impact on the economy in the near to short term. In addition, public expenditure in infrastructure has been

The Government has lined up a series of key structural reforms that are expected to have a positive impact on the economy in the near to short term.

stepped up early this year. The cumulative benefits of these developments are expected to soon percolate down to the road building and material handling equipment industry of which TIL is an integral part.

Against the backdrop of this economic scenario, TIL maintained its position during the year under review. Your Company posted annual revenues of ₹ 344.07 Crs during 2016-17 and remains hopeful of a stronger growth environment going forward, having recorded a relatively better fourth quarter performance. Weak demand notwithstanding, your Company managed to improve its market share in the reach stacker segment during 2016-17 and post an increase in sales of the product. TIL also launched a new and improved range of long boom truck cranes in the 25–80 ton category, which effected a significant expansion in the market share of truck cranes during the year under review.

Given the Government's renewed focus on road construction, your Company is presently reviewing its range of hot mix asphalt plants and crushing & screening equipment with a view to making them more cost-effective in the Indian market. TIL has intensified focus on aggressive production in order to cater to the Indian retail segment, along with its existing base of large institutional clients. Service excellence is the secret to continued success in this industry and accordingly, TIL accords the topmost priority to its customer support function. Strong focus also remains on Exports and the Indian Defense sector.

The dissociation with the Caterpillar business has not only provided TIL the financial scope to partially deleverage the Company, but also the space to fully capitalize on the core competencies of your Company in manufacturing and design. TIL has embarked on a drive to reinforce business processes and boost capabilities across functions. There have been reasonable interventions during the year under review and new initiatives will continue through the ongoing year and beyond. All strategies and plans are in place for a new TIL to stride into a new era of expansion.

The outlook for 2017-18 remains moderately optimistic, despite some downside risks in the form of a slightly uncertain industrial recovery. The fact remains that the very extent of infrastructure deficit in our country calls for a large volume of construction equipment and speedy project implementation to bridge the gap. Consequently, the Government has been making continuous efforts to enable faster sovereign clearances and improve the overall ease of doing business. Significant growth opportunities will arise for your Company out of the Government's envisioned program to develop the nation's existing ports and build many new ones with modern amenities. Essential impetus would also be provided by the impending expansion in the roads & highways sector, which continues to be the focal point of the Government's infrastructure agenda. The general consensus seems to be that India's growth rate is all set for rapid acceleration, provided that the reforms momentum remains unimpeded. Your Company remains sufficiently prepared to capitalize on all relevant growth opportunities that may arise in the near to short term.

TIL has a rich legacy of over seven decades, partnering the nation's infrastructure build and earning the trust of all stakeholders. Having emerged as a more nimble, adaptive and stronger organization, your Company is confident of breaking new barriers in technological innovation and market leadership.

On behalf of the entire TIL family, I would like to thank all customers, employees, shareholders, principals, bankers and business associates for the faith that you have reposed in us. With your support and good wishes, I am confident that your Company will create many more new milestones, remaining committed to its core values and competencies, and generating greater value for all stakeholders.

Warm Regards,

Sumit Mazumder

Though the Company had passed a special resolution at the 39th Annual General Meeting held on 28th July 2014, the duration of the appointment was for 5 years. Thus, it is proposed to re-appoint Mr. Mazumder for a period of 3 years with effect from 1st June 2017. Mr. S. Mazumder joined the Company in 1987 and was appointed as the Managing Director of the Company in July 1995. He became the Vice Chairman & Managing Director of the Company with effect from April 2008. Thereafter, Mr. Mazumder was appointed as the Chairman and Managing Director of the Company with effect

from 1st June 2014. He is also a Director in the wholly owned foreign subsidiary of the Company viz. TIL Overseas Pte. Ltd., Singapore. He holds 86,360 Shares in the Company. The Nomination & Remuneration Committee and the Board of Directors have recommended the re-appointment of Mr. S. Mazumder as Chairman and Managing Director of the Company for a term of 3 years from 1st June 2017. The aforesaid re-appointment is subject to approval of the Shareholders at the ensuing Annual General Meeting by a special resolution and the same is included in the Notice of the ensuing Annual General Meeting read with the Explanatory Statement thereto. Mr. Mazumder also continues to be a 'Key Managerial Personnel' under Section 203 of the Companies Act, 2013.

None of the above Directors are related inter-se.

None of the Directors of the Company hold the office of Director in more than the permissible number of Companies under Section 165 of the Companies Act, 2013. Further, the Committee Chairpersonships / Memberships are within the limits laid down under Regulation 26(1) of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015.

The sitting fees paid to Non-Executive Directors are within the limits prescribed under the Companies Act, 2013.

Independent Directors Meeting

The Independent Directors of the Company viz., Dr. T. Mukherjee, Mr. R.L. Gaggar, Mr. G. Swarup and Ms. Veena Hingarh had an exclusive meeting between themselves on 31st March 2017 pursuant to the provisions of Section 149(8) of the Companies Act, 2013 read with Schedule IV thereto. The Directors evaluated the performance of the Non-Independent Directors, the Chairman and the Board as a whole including the quality, quantity and timeliness of flow of information to the Directors by the Management.

The Independent Directors have furnished required declaration as provided in Section 149(7) of the Companies Act, 2013 regarding their independence.

Familiarization programmes imparted to Independent Directors

The Company has already familiarized the Independent Directors with regard to their roles, rights, responsibilities in the Company etc. through their appointment letters which are available on the website of the Company (weblink <http://www.tilindia.in/corporate/director.php>).

Code of Conduct

The Company has adopted a revised Code of Conduct for the Board of Directors, Senior Managers and all other Employees of the Company. The Code of Conduct is available on the Website of the Company (weblink <http://www.tilindia.in/corporate/code.php>).

ANNEXURE IV

CORPORATE SOCIAL RESPONSIBILITY (CSR) REPORT

[Pursuant to clause (o) of sub-section (3) of Section 134 of the Act and Rule 9 of the Companies (Corporate Social Responsibility) Rules, 2014]

Corporate Social Responsibility ('CSR') of your Company is carried out through a Registered Trust viz., TIL Welfare Trust ('TWT') wherein the contribution of the Company is deposited every year. Your Company had been carrying out such welfare activities through TWT for more than two decades i.e. much before its induction under the Companies Act, 2013. However, upon implementation of the Companies Act, 2013 and the Rules thereof, a Corporate Social Responsibility Committee viz., a sub-committee of the Board of Directors of the Company has been constituted under Section 134 of the Companies Act, 2013. Also a Corporate Social Responsibility Policy has been adopted by the Company on 25th October 2014 which is available for reference at the Company's official website at the weblink http://www.tilindia.in/investor/csr_policy.php. The Sub-Committee is headed by Mr. S. Mazumder as Chairman with Dr. T. Mukherjee and Mr. R. L. Gaggar as its Members.

During the financial year under review, the average net profits of the Company for the last three financial years has been negative and hence there has been no contribution to TWT by the Company for CSR activities. However, certain activities have been taken by the TWT last year as stated below:

TIL Caring Day : Your Company's 72nd Foundation Day – rechristened as TIL Caring Day – was celebrated on the 22nd of July 2016, across all locations and the corporate HO at Taratolla. True to our tradition, TIL employees made contributions – duly matched by contribution from TWT – towards supporting the chosen social cause for the year under review, i.e. reaching out to the underprivileged, differently-abled and substance-addicted children of our society.

Weekly Health Camps : Your Company has been supporting a Weekly Health Camp program – in collaboration with HelpAge India – for the elderly and underprivileged people in the Kamarhatty area of Kolkata. During the year under review, 53 health camps have been conducted, meting out 3292 treatment sessions to a daily average of 62 beneficiaries, most of whom are dependent on the Weekly Health Camp as their primary source of treatment.

Anganwadi Centers : Your Company supports two Anganwadi Centers in the Metiabruz area in Kolkata, which are in close proximity to our corporate HO. The project is part of a joint CII-Unicef CSR Hub to rehabilitate the Integrated Child Development Services in rural and urban West Bengal via PPP model. Initiated in 2014, the two Anganwadi Centers provide care to approximately 140 children and 60 mothers. Apart from providing direct support, in terms of infrastructure, equipment and capacity building, to the Anganwadi Centers, the project also seeks to provide proper nutrition to all the beneficiaries and impart pre-school education to the children.

Puja Parikrama : Like every year, during the Durga Pujas, your Company – in association with CINI – organized the Puja Parikrama for a group of 100 underprivileged and marginalized children of Kolkata, who were taken on a tour of selected Puja pandals and provided with special gifts and meals during the day.

ANNEXURE V MANAGEMENT DISCUSSION AND ANALYSIS REPORT

MANAGEMENT DISCUSSION & ANALYSIS

The Management Discussion & Analysis (MDA) of your Company for the year under review begins on a reasonably positive note, owing largely to significant policy changes instituted by the Government of India, including substantial focus on the manufacturing sector. There is a revised GDP estimate for the ongoing fiscal year, indicating slight moderation in growth, and the Indian economy is expected to grow at 7.4% in 2017-18 vis-à-vis an estimated 7.1% in 2016-17 (Source: Union Budget Economic Survey, Central Statistical Organisation).

India is set to climb higher on the growth curve on the presumption that the reforms momentum will continue. Contrary to earlier apprehensions, demonetization has not made any appreciable dent in India's growth process - primarily due to the country's strong economic fundamentals. Impending taxation reforms are expected to expand tax compliance and enable greater public spending in critical areas like infrastructure. *Make in India* promises to transform the manufacturing landscape of India. Meanwhile, the Government has already stepped up expenditure in the infrastructure sector, which is positive news for the business space that your Company operates in.

A stable Indian Government has led to continued reforms and greater investments in infrastructure. As an emerging global growth engine, this has attracted a significant amount of foreign direct investment into India. The said fact is also evident in the recent sharp appreciation of the Rupee.

However, challenges remain. A holistic revival of the Industry is yet to firm up. The Index of Industrial Production (IIP), after posting a 3.8% growth in January 2017, dipped to 1.9% in February, before recovering slightly to post 2.7% growth in March 2017 (Source: MOSPI). This uneven trajectory of the IIP is largely on account of the manufacturing sector, which has recorded a major slowdown in the December 2016 - March 2017 period vis-à-vis the same period in the last five years (Source: Livemint).

Domestic demand remains subdued - with average capacity utilization declining for the first three quarters of the year 2016-17 to post 72.7% in Q3 (Source: RBI OBICUS) - putting pressure on corporate earnings. Despite the recent surge in Indian exports, the developing nations remain watchful of a likely resurgence of protectionist trade policies in several developed nations around the world.

In spite of these concerns, there is a general air of positivity around India's future growth prospects. The Organization for Economic Co-operation and Development (OECD) has identified the acceleration of structural reforms and fiscal consolidation as sustaining India's economic expansion. The International Monetary Fund (IMF) too remains confident of India's growth story, their long term projections rooted largely in the positive policy actions by the Government, key structural reforms and reduced external vulnerabilities.

BUSINESS PERFORMANCE

Your Company has maintained annual revenues at ₹ 344.07 Crs during the year under review, 2016-17, despite a general slowdown in the crane segment over the last two years arising out of subdued demand, risk-averse behavior of lenders and infrastructure developers, and low capacity addition, amongst other things. However, the fourth quarter performance during 2016-17 was relatively better and your Company remains hopeful of a positive reversal in market conditions to drive business growth for TIL in the near to medium term.

Your Company achieved the following during the year under review:

- The market share of truck cranes expanded significantly during the year under review, driven largely by the introduction of longer boom lengths in accordance with the market demand. Your Company has successfully developed the technology necessary for manufacturing the longer 'formed' boom and so far the long boom truck cranes have found good acceptance in the market. TIL expects to further strengthen its presence in this segment.
- Your Company has introduced longer booms in the existing models of truck cranes in the 25 MT and 80 MT categories. In addition, new models with longer booms were also launched in the 45 MT, 50 MT, 55 MT and 60 MT categories, where your Company was not present earlier, and have already secured substantial market shares.
- The sales of reach stackers grew by 34% over the last fiscal year, further consolidating your Company's market leadership position in this segment with a year-on-year increase in market share to 67% from 60%.
- Your Company has successfully executed the prestigious order that was secured last year from the Container Corporation of India (CONCOR) for the supply of a large fleet of reach stackers, including a repeat order received during the year under review. Your Company has also undertaken an Operation & Maintenance Contract for these reach stackers deployed at various sites of CONCOR.
- The Customer Support business posted an increase in the sale of spare parts during the year under review. Your Company expects reasonable growth in this segment in the ongoing fiscal year.
- In order to capitalize on the new opportunities emerging in the roads & highways sector, your Company is reviewing its portfolio of crushing & screening equipment and hot mix asphalt plants; making the offerings more cost-competitive in response to the market requirements.

OPPORTUNITIES AND THREATS

Significant opportunities exist in the form of repressed demand that may now be expected to be channelized back into the economy. Subdued demand has been the primary hurdle faced by your Company during the last few years. As the economy recovers and the market opens up, new opportunities are likely to arise.

The Goods & Services Tax (GST) promises to transform the business landscape of India, raise global competitiveness of Indian companies and help the nation to expand external trade. The implications for your Company are expected to be on the positive side, especially in light of the renewed focus on retail and export businesses. However, the positive outcomes are contingent on a smooth transition from the existing indirect taxation structure to the new regime. Otherwise, there may be temporary disruptions in supply chains and gainful economic activity.

Meanwhile, as evident from the new IIP series data, India's industrial growth slowed to a 15-month low of 1.9% in February 2017 before improving marginally to 2.7% in March 2017. This is a matter of concern and the data points need to be monitored closely by Industry for deciphering underlying trends.

Your Company remains watchful of the potential threats and prepared to leverage the emerging prospects.

RISKS AND CONCERNS

Subdued demand has been the primary hurdle faced by the economy over the last few years.

Consumer price inflation - as per data released by the CSO - accelerated to 3.8% in March 2017 largely due to increased fuel prices. A weaker-than-normal monsoon would exert further upward pressure on prices. Resurgent inflation at this stage could discourage monetary easing and postpone fresh capex that is crucial to the recovery of the capital goods sector, which is extremely relevant for your Company.

Meanwhile, Chinese competition, with aggressive pricing strategies, remains a consistent threat to domestic Indian players in the material handling equipment space. Furthermore, Chinese equipment manufacturers are now offering 3-year interest free usage, which is very attractive in India.

OUTLOOK

Outlook for the ongoing fiscal year and beyond remains cautiously optimistic. As mentioned earlier, the Central Statistical Organization (CSO) has forecasted a GDP growth of 7.4% in 2017-18 vis-à-vis an estimated 7.1% in 2016-17.

On the domestic front, structural reforms are expected to continue with undiminished pace. The Government has already set in motion its ambitious ₹ 21.47 lakh Crs. expenditure plan at the very beginning of the current fiscal year. Better revenues have also allowed the Government to step up spending on infrastructure, which is expected to have a positive impact on the performance of your Company. The infrastructure budget for the ongoing fiscal year has been pegged at ₹ 3.96 lakh Crs. which is almost 15% of the total outlay under Union Budget 2017-18.

Aggressive growth in the roads & highways sector is expected to boost the demand for mobile cranes. The National Highways Authority of India (NHAI) is planning to invest around ₹ 16 lakh Crs. in road projects over the next 5 years. Government also plans to upgrade 57,500 km of state highways to national highways to augment the existing 1.13 lakh kms of national highways across the country. The total road length to be developed as expressways under the Government's ambitious Bharatmala program will be around 51,000 km, with an estimated outlay of ₹ 10 lakh Crs.

The demand for reach stackers is likely to be stimulated by the Sagarmala project that seeks to modernize the Indian Ports sector and the development of Dedicated Freight Corridors. There is also likely to be increased applications for material handling equipment in mining, defense projects, Metro projects and ONGC hiring contracts. Meanwhile, Japan has also pledged investments of around ₹ 2 lakh Crs. between 2014 and 2019 in India's manufacturing and infrastructure sectors (Source: Livemint). Finally, the *Make in India* program provides us with an excellent opportunity to grow into a homegrown manufacturing powerhouse.

The dissociation with the Caterpillar dealership business has helped your Company to partially deleverage itself and concentrate more on the core strengths of manufacturing and designing. TIL continues to focus on the extensive product range of mobile cranes, reach stackers, hot mix asphalt plants and crushing & screening equipment, in collaboration with global technology partners. Your Company has always been a technology-intensive company and therefore, constant innovation remains at the heart of the operations.

Your Company has already made a successful modification to the range of truck cranes - longer booms for optimum lifting performance - and so far the innovation has found good acceptance in the market. For exporting to the Middle Eastern and African markets, your Company is developing three export variants of truck cranes in the 50 MT, 60 MT and 80 MT categories, with more powerful engines and better ergonomics. In collaboration with Astec Inc., your Company is presently manufacturing 200 tph Double Barrel Counter-flow Hot Mix Asphalt Plants (HMAP), at the Kharagpur facility. Your Company expects to strengthen its position in this segment as well.

The focus of your Company has always been on the existing base of big institutional clients. Your Company has now intensified focus on aggressive production in order to cater to the rising retail demand as well. This strategic shift has made customer support - TIL's traditional area of expertise - even more crucial for business success. Your Company is confident that this strategic shift will earn rich dividends in the near term.

Hyster, over the years has allowed your Company to export to South - East Asia and Australia. They have now agreed to look at other emerging markets as well. After years of discussions with Grove, they have agreed to allow us to export through their existing dealer network to the Middle - East and Africa. Once the global economy recovers, exports is expected to become a big opportunity for your Company.

Your Company has commenced work on Defense where it has agreements with several PSUs and leading firms to co-produce certain identified products. However for requirements of TIL's products i.e. cranes - these are directly procured from your Company by all three Defense wings.

Essential impetus would also be provided by the much anticipated recovery of the manufacturing sector. Your Company remains sufficiently geared to capitalize on all relevant opportunities that will arise in the near term.

KNOWLEDGE RESOURCE

During the year under review, talent management and talent development have been the focus areas in our bid to enhance the overall effectiveness of your Company. TIL's approach was based primarily on enhancing role proficiency across levels through tailored interventions. The training programs included both technical and behavioral aspects with relevant content and assessment. There was a constant cycle of input and objective measurement throughout the year for people at the operational levels to minimize the gap between strategy and execution. In this ever changing business scenario your Company has maintained the required talent base efficiently and has been able to effectively figure out and focus on its priorities.

As on 31st March 2017, the total employee strength of TIL stood at 988.

INTERNAL CONTROLS & THEIR ADEQUACY

The Company has an adequate Internal Control System to ensure proper recording of financial and operational information and compliance of various internal controls and other regulatory and statutory compliances. The management reviews the actual performance of all the divisions of the Company on a regular basis.

In line with the internal audit program, regular audits are conducted by an external firm of Chartered Accountants and their reports are reviewed in details by the Audit Committee of your Company. The Audit Committee interacts with the

Statutory Auditors and the Internal Auditors on the findings of the audits and also to ascertain their views on the adequacy of internal control systems. The Auditors inform their key findings to the Board of Directors during every quarterly meeting. Recommendations and suggestions are implemented by the Management.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

Total income of TIL for the year under review [2016-17] stands at ₹ 344.07 Crs. vis-à-vis ₹ 338.31 Crs. in previous year [2015-16]. PBT for the year stands at ₹ 137.89 Crs. compared to PBT of ₹ (66.02) Crs. in the previous year. EBIDTA for the year is ₹ 170.23 Crs. vis-à-vis ₹ (8.30) Crs. in 2015-16.

INDUSTRIAL RELATIONS

Industrial relations have been harmonious and cordial with all workmen and unions during the year under review. Your Company conveys its sincere appreciation for the unstinted support of the unions during these challenging times.

CAUTIONARY STATEMENT

Certain statements made in the Management Discussion and Analysis Report relating to Company's objectives, projections, outlook, expectations, estimates, etc. may constitute 'forward looking statements' within the meaning of applicable laws and regulations. - a) The Company has designed, developed and productionised a range of Truck Cranes having lifting capacities of 25 MT, 45/50 MT, 55/60MT and 80 MT respectively, in the last one year. The distinctive features of these Cranes are longer boom lengths, formed boom sections (for 45 to 80MT range) and better aesthetics. All these products have been developed pursuant to high demand from the Customers and have been well accepted in the market. Application for patent registration has already been filed by the Company.
- b) In addition to the above, the Company has designed and developed two types of special purpose Cranes (one meant for mounting on Main Battle Tank for recovery purpose and the other mounted on high mobility 6x6 trucks) for Indian Defence, which are currently undergoing trials.
- c) There is always a consistent effort and focus of the Company on improvement and up-gradation of existing products as well as development of new models by absorbing superior technology designs from foreign collaborators. Full efforts are also being made towards import substitution of materials and components by utilizing domestic materials and components.

2. Benefits Derived:

Use of modern technology and cost cutting through indigenous consumption has enabled the Company to remain as the market leader in the material handling industry.

3. Plan of Action:

Provision of suitable training, maintaining a congenial working environment and motivating the workforce towards achieving a much higher objective of customer satisfaction shall remain a priority.

II. Technology Absorption, Adoption & Innovation

1. Efforts made:

The Company has continued its endeavor to absorb, adopt and implement the best technologies for its product range to meet the requirements of a globally competitive market. All of the Company's products are compliant with the prevalent regulatory norms in India.

2. Benefits:

The Company believes that the improved technology and the enhancement that is being made to its product range will enhance the quality and value of its products.

3. Imported Technology:

In order to acquire the latest state of the art technology available globally the Company has executed technical collaboration agreements with some of the world's finest and distinguished enterprises.

Auditors' Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2017, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, based on our audit we report, to the extent applicable that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards prescribed under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31st March 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unqualified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note 31 to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. The Company has provided requisite disclosures in the standalone financial statements as regards its holding and dealings in Specified Bank Notes as defined in the Notification S.O. 3407(E) dated the 8th November 2016 of the Ministry of Finance, during the period from 8th November 2016 to 30th December 2016. Based on audit procedures performed and the representations provided to us by the management we report that the disclosures are in accordance with the books of account maintained by the Company and as produced to us by the Management.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITORS' REPORT

[Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date]

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of TIL Limited ("the Company") as of 31st March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statements for the year ended 31st March 2017

(All amounts in ₹ Lakhs, unless otherwise stated)

1 CORPORATE INFORMATION

TIL Limited (the 'Company') is engaged in manufacturing and marketing of a comprehensive range of material handling, lifting, port and road construction solutions with integrated customer support and after Sales Service. Overall the Company's products and services are termed as Materials Handling Solutions (MHS). The Company has two manufacturing facilities - Kamarhatty and Kharagpur in West Bengal. The Company is a Public Limited Company and is listed in Bombay, Calcutta and National Stock Exchange in India.

2 SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of Preparation

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards as specified under Section 133 of the Companies Act, 2013 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") / Companies Act, 1956 ("the 1956 Act"), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalent, the Company has ascertained its operating cycle as 12 months for the purpose of current - non current classification of assets and liabilities.

2.2 Use of Estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

2.3 Revenue Recognition

Revenue from sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers, and is net of credit notes on account of returns and allowances. Sales includes excise duty but excludes sales tax and value added tax. Revenue from services is recognised on a prorated basis over the period or as per the terms of the contract.

2.4 Other Income

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive it is established.

2.5 Fixed Assets including Intangible Assets

Fixed Assets (comprising both tangible and intangible items) are stated at cost as the Company has opted for the cost model as envisaged in revised Accounting Standard - 10 on Accounting for fixed assets. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the

asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use.

Software is capitalised where it is expected to provide future enduring economic benefit. Capitalisation costs includes license fees and cost of implementation / system integration services. The costs are capitalised in the year in which the relevant software is implemented for use.

Internally Generated Intangible Assets

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are also charged to the Statement of Profit and Loss unless a product's technical feasibility has been established, in which case such expenditure is capitalised. The amount capitalised comprises expenditure that can be directly attributed or allocated on a reasonable and consistent basis to creating, producing and making the asset ready for its intended use. Fixed assets utilised for research and development are capitalised and depreciated in accordance with the policy mentioned in note 2.6 below.

2.6 Depreciation

Depreciable amount for assets is the cost of an asset less its estimated residual value. Depreciation on tangible fixed assets (other than leasehold land) has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

Leasehold land is amortised over the period of lease.

Intangible assets are amortised over their estimated useful life on straight line method as follows:

Technical Know-how fees (Intangible Asset) is being amortised under Straight Line method over its useful life of 3 to 10 years. The estimated useful life of the intangible assets and the amortisation period are reviewed at the end of each financial year and the amortisation period is revised to reflect the changed pattern, if any.

2.7 Impairment Loss

Impairment loss, if any, is recognised wherever the carrying amount of fixed assets of a cash generating unit exceeds its recoverable amount i.e. net selling price or value in use, whichever is higher. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

2.8 Investments

Investments that are readily realisable and are intended to be held for not more than one year from the date, on which such investments are made, are classified as current investments. All other investments are classified as long term investments. Current investments are carried at cost or fair-value whichever is lower. Long term investments are carried at cost. However, provision for diminution is made to recognise a decline, other than temporary in the value of the investments, such reduction being determined and made for each investment individually.

2.9 Inventories

Raw materials, components, stores and spares are valued at lower of cost and net realisable value. However, materials and other items held for use in production in inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost of raw materials, components and stores and spares is determined on a weighted average basis. Work-in-progress and Finished Goods are valued at lower of cost and net realisable value. Cost includes direct materials and labour and a proportion of manufacturing

Notes to the Financial Statements for the year ended 31st March 2017

(All amounts in ₹ Lakhs, unless otherwise stated) **Contd.**

overheads based on normal operating capacity. Cost of Finished Goods includes Excise Duty and is determined on a weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated cost of completion and estimated costs necessary to make the sale.

2.10 Taxation

Current Tax in respect of taxable income is provided for the year based on applicable tax rates and laws. Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment in future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company. Deferred Tax is recognised subject to the consideration of prudence in respect of deferred tax assets, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods and is measured using tax rates and laws that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets are reviewed at each Balance Sheet date to re-assess realisation.

2.11 Employee Benefits

The undiscounted amount of Short-term Employee benefits (i.e. benefits payable within one year) are recognised in the period in which the employee services are rendered.

Contributions towards provident funds are recognised as expense. Provident fund contributions in respect of employees are made to Trusts - 'Tractors (India) Limited Provident Institution' and "TIL Limited (Kamarhatty Works) Provident Fund Institution" (being administered by the trustees of the said fund for the benefit of employees of the company) and such Trusts invest funds following a pattern of investment prescribed by the Government. The interest rate payable to the members of the Trusts is not lower than the rate of interest declared annually by the Central Government under the Employees' Provident Funds and Miscellaneous Provisions Act, 1952 and shortfall, if any, on account of interest, is made good by the Company.

Contributions under Employees' Pension Scheme is made as per statutory requirements and charged as expenses for the year.

The Company also contributes to the Central Government administered Employees' State Insurance Scheme for its eligible employees, which is a defined contribution plan.

Provisions for Gratuity for eligible employees (being a defined benefit plan) is made on the basis of year-end actuarial valuation using Projected Unit Credit Method.

In respect of certain eligible employees who have attained 45 years of age as on 1st April 2009, provision for Superannuation under defined benefit plan is made on the basis of year end actuarial valuation using Projected Unit Credit Method.

In respect of certain eligible employees who have not attained 45 years of age as on 1st April 2009 provision for Superannuation is made :

- under defined contribution scheme in respect of services rendered with effect from 1st April 2009.
- under defined benefit scheme in respect of services rendered up to 31st March 2009, based on frozen pensionable salary as on 31st March 2009, using Projected Unit Credit Method.

Notes to the Financial Statements for the year ended 31st March 2017

(All amounts in ₹ Lakhs, unless otherwise stated) **Contd.**

Actuarial gains / losses arising in Defined Benefit Plans are recognised in the Statement of Profit and Loss as income or expenses in the year in which they occur.

Accrued liability towards compensated absence, covering eligible employees, evaluated on the basis of year-end actuarial valuation using Projected Unit Credit Method, is recognised as a charge.

2.12 Foreign Currency Transactions and Translation

Monetary assets and liabilities related to foreign currency transactions remaining unsettled at the year end are translated at year end rates or at contract rates, covered by forward exchange contracts. The difference in transactions of monetary assets and liabilities and realised gains and losses on foreign exchange transactions are recognised in the Statement of Profit and Loss. In respect of transactions covered by forward exchange contracts, the difference between the contract rate and the spot rate on the date of transaction is charged to the Statement of Profit and Loss over the period of the contract. Profit / (Loss) on cancellation of forward contracts are recognised as income or as expenses for the year.

Foreign currency non monetary items carried in terms of historical cost are reported using the exchange rate at the date of transactions.

2.13 Borrowing Costs

Borrowing Cost, if any, that are attributable to the acquisition, construction or production of 'Qualifying Assets' are capitalised as part of cost of such assets. A 'Qualifying Asset' is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised as expenses in the period in which they are incurred.

2.14 Leases

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight line basis.

2.15 Provisions and Contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the notes to accounts. Contingent assets are not recognised in the financial statements.

2.16 Cash and Cash Equivalents

In the Cash Flow Statement, cash and cash equivalents includes cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.17 Provision for Warranty

Provision for warranty related costs are recognised when the product is sold. Provision is based on historical experience. The estimate of such warranty-related costs are reviewed periodically by the management.

- 12.3** Other adjustment during the year represents the following:
- a) Reversal of earlier revaluation performed by the Company as per requirements of paragraph 91 of revised Accounting Standard - 10. Since the Company has opted for the cost model, the previous revaluation has been adjusted in the revaluation reserve against the carrying amounts of such assets. This has resulted in decrease of ₹ 1,510 Lakhs from gross block and ₹ 866 Lakhs from accumulated depreciation and net amount being adjusted with revaluation reserve outstanding as on 31st March 2016 (Refer Note 4).
- b) Some of the assets which were used by the employees of the Company and its erstwhile subsidiaries were written off on disposal of the subsidiaries (Refer Note 30.1). Also certain assets were scrapped during the current year. This has resulted in decrease of ₹ 1,716 Lakhs from gross block and ₹ 1,652 Lakhs from accumulated depreciation, net amount being charged to the Statement of Profit and Loss.

27.1 Employee Benefits

The Company has recognised, in Statement of Profit and Loss for the year ended 31st March 2017 an amount of ₹ 48 Lakhs (Previous year ₹ 76 Lakhs) as expenses under defined contribution plans.

(A) Provident Fund :

The Company has an obligation to fund any shortfall on the yield of the trust's investments over the administered interest rates on annual basis. These administered rates are determined annually predominantly considering the social rather than economic factors. Based on the final guidance for measurement of Provident Fund liabilities issued by the Actuarial Society of India, the Company's liability at the year end of ₹ 39 Lakhs (Previous year ₹ 73 Lakhs) has been actuarially determined by an independent authority. The Company has contributed for the year ended 31st March 2017 an amount of ₹ 205 Lakhs (Previous year ₹ 294 Lakhs) as Provident Fund.

The details of fund and plan asset position as at 31st March 2017 is given below

27.1 Employee Benefits (*Contd.*)

B) Superannuation Fund :

- (i) Certain eligible employees of the Company who had attained at least 45 years of age as on 1st April 2009 are entitled to Superannuation benefit under the Superannuation scheme (a funded Defined Benefit Plan under a common Trust- 'Tractors India Limited Superannuation Fund Scheme', being administered by the trustees of the said fund for the benefit of employees of the Company). Under the aforesaid benefit scheme the Company makes periodic contribution to the Superannuation Fund Scheme and a predetermined percentage of salary is paid as pension on retirement. The quantum of pension depends on the average basic salary of eligible employee during the last 36 months before retirement. The benefit vests to employees with 12 years of continuous service and attainment of 48 years of age on retirement/death/termination. The most recent actuarial valuation of Plan Assets and Present Value of the Defined Benefit Obligation of Superannuation Fund was carried out as on 31st March 2017.
- (ii) Employees who did not attain 45 years of age as on 1st April 2009 are under the purview of 'Defined Contribution Scheme' in respect of service rendered from 1st April 2009. The benefit of services rendered by these employees up to 31st March 2009 come under the purview of 'Defined Benefit Scheme' as indicated which is frozen as on 31st March 2009. Hence for this category of employees, the benefit of cessation of service will be :
- a) amount accumulated by annual contribution of 15% of Basic Salary and
 - b) amount frozen as on 31st March 2009.

C) Gratuity Fund :

The Company makes periodic contributions to the Tractors India Limited Staff Gratuity Fund, a funded defined benefit-plan for qualifying employees administrated under a common Trust by the trustees of the said fund for the benefit of the employees of the Company.

Under the Gratuity plan, every employee is entitled to gratuity, being higher of the amount, calculated under the Company's plan (based on average salary of last 36 months and number of years of service, restricted to a maximum of 40 years) or calculations as laid down under the Payment of Gratuity Act, 1972. Gratuity is payable on death / retirement / termination and the benefit vests after 5 year of continuous service.

The most recent actuarial valuation of plan assets and the present value of the defined benefit obligation was carried out as at 31st March 2017.

30.1 The Board of Directors of the Company, at its meeting held on 21st April 2016, had approved the sale of its Caterpillar Dealership Business as a going concern. The sale proceeds were as follows:

- i) Sale of shares in wholly owned subsidiary Tractors India Private Limited (TIPL) [Book value ₹ 9,585 Lakhs as on 31st March 2016] for a consideration of ₹ 35,000 Lakhs.
- ii) Sale of shares at the book value, in the wholly owned subsidiary Tractors Nepal Private Limited (TNPL). [Book value of ₹ 75 Lakhs as on 31st March 2016]
- iii) Sale of specified assets and liabilities pertaining to the Caterpillar Dealership Business standing in the books of TIL Overseas Pte. Limited (TILO).
- iv) Incidental expenditure related to legal fees and valuations amounting to ₹ 170 Lakhs has been adjusted from the sales proceeds.

For this transaction the Company had executed a 'Share Purchase Agreement' with Goodearth Minetech Private Limited (GMPL). Consequently, the Company, vide its shareholders approval, disposed its Caterpillar Dealership business, which was run through its aforesaid disposal, Tractors India Private Limited and Tractors Nepal Private Limited ceased to be subsidiaries of the Company on and from 1st April 2016.

30.2 During the year, occurrence of certain events necessitated the management of the Company to undertake a comprehensive technical and physical evaluation of its inventories of traded goods and raw materials. The events that required the management for such evaluation are as follows:

- i) The Company successfully launched its own in-house designed and developed 'long boom' crane models to take on foreign competition. This new 'long boom' models helped the Company to arrest its decline in crane sales. However, this new design resulted in certain spares / raw materials getting obsolete and accordingly the Company wrote down the value of such inventories amounting to ₹ 2,454 Lakhs.
- ii) In the earlier years, when the road construction vertical was started, the Company had imported huge amount of such equipment and related spares; but later it was felt that the customers were not in favor of such equipment mainly due to their cost and usability for the local market. Accordingly, the Company took a write down of such inventories amounting to ₹ 3,323 Lakhs.
- iii) Apart from the above certain old inventories viz equipment spares, etc have been found to have become obsolete and redundant owing to lapse of time. As a matter of prudence, the Company has charged off those inventories amounting to ₹ 3,045 Lakhs.

As indicated earlier, the inventory evaluation was comprehensively carried out by a third party with extensive inputs from the management. These factors resulted in a write down of inventories by ₹ 8,822 Lakhs. This includes write down of components and raw materials amounting to ₹ 5,394 Lakhs and trading goods amounting to ₹ 3,428 Lakhs.

30.3 As a result of regular monitoring for collections from its customers, the Company had identified certain after-market sales made to customers in earlier years in relation to which payment was not getting realised. The Company had entered into discussions with such customers. As a result, it was agreed to take back the inventories from these customer's at TIL's cost. Resultant profit in such transactions have been written off. Inventories received have undergone extensive quality checks.

These cases are not recurring in nature and are over and above regular provisions taken for doubtful debtors.

INDEPENDENT AUDITORS' REPORT

To the Members of
TIL LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of TIL Limited (hereinafter referred to as “the Holding Company”) and its subsidiary (the Holding Company and its subsidiary together referred to as “the Group”) comprising of the Consolidated Balance Sheet as at 31st March 2017, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the consolidated financial statements”).

Management’s Responsibility for the Consolidated Financial Statements

The Holding Company’s Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as “the Act”) that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditors’ Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditor in terms of their report referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of report of other auditor on separate financial statements of the subsidiary, referred to in the Other Matters paragraph below, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March 2017, and its consolidated profit and its consolidated cash flows for the year ended on that date.

Other Matters

We did not audit the financial statements of a subsidiary whose financial statements reflect total assets of ₹ 2,519 lakhs as at 31st March 2017, total revenues of ₹ 2,480 lakhs and net cash outflows amounting to ₹ 2,267 lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by another auditor whose report has been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary, is based solely on the report of the other auditor.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below is not modified in respect of the above matters with respect to our reliance on the work done and the report of the other auditor.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of the report of the other auditor on separate financial statements of the subsidiary, referred in the Other Matters paragraph above we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the report of the other auditor.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards prescribed under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors of the Holding Company as on 31st March 2017 taken on record by the Board of Directors of the Holding Company, none of the directors of the Holding company is disqualified as on 31st March 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Holding company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group - Refer Note 32 to the consolidated financial statements.
 - ii. Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.

- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company.
- iv. The Holding Company has provided requisite disclosures in the consolidated financial statements as regards the holding and dealings in Specified Bank Notes as defined in the Notification S.O. 3407(E) dated the 8th November 2016 of the Ministry of Finance, during the period from 8th November 2016 to 30th December 2016, by the Holding company. Based on audit procedures performed and the representations provided to us by the management we report that the disclosures are in accordance with the relevant books of accounts maintained by the Holding Company and as produced to us by the Management of the Holding Company.

ANNEXURE "A" TO THE INDEPENDENT AUDITORS' REPORT

[Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date]

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March 2017, we have audited the internal financial controls over financial reporting of TIL Limited (hereinafter referred to as "the Holding Company").

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Holding company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Holding Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control

based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us, the Holding Company has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Consolidated Financial Statements for the year ended 31st March 2017

(All amounts in ₹ Lakhs, unless otherwise stated)

1 The Consolidated Financial Statements of TIL Limited ('the Company') and its subsidiary have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") / Companies Act, 1956 ("the 1956 Act"), as applicable. The Consolidated Financial Statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the Consolidated Financial Statements are consistent with those followed in the previous year.

2.1 The Consolidated Financial Statements represents consolidation of Financial Statements of the Company with its subsidiary (together referred as 'the Group') as detailed below :

Name of the Subsidiary	Country of Incorporation	Proportion of Ownership Interest	Accounting Year
TIL Overseas Pte. Limited (TILO) (Refer Note 31)	Singapore	100%	1st April to 31st March

2.2 The Consolidated Financial Statements have been prepared on the following basis:

- The Financial Statements of the Company and its subsidiary (indicated above) have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses after fully adjusting / eliminating intra-Group balances and intra-Group transactions and resulting unrealised profits. Unrealised losses resulting from intra-Group translations are eliminated unless cost cannot be realised.
- The Consolidated Financial Statements are prepared by adopting uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible (with appropriate regrouping / realignment), except as indicated in Notes 2.3 and 2.4 below, in the same manner as the Company's separate Financial Statements.
- The translation of the functional currencies into Indian Rupees (reporting currency) is performed for equity in the foreign subsidiary, assets and liabilities using the closing exchange rate at the Balance Sheet date, and for income and expenses using average exchange rate prevailing during the year. The resultant exchange difference arising out of such translations is recognised as part of equity (Foreign Currency Translation Reserve) by the Company until the disposal of investment.

Notes to the Consolidated Financial Statements for the year ended 31st March 2017

(All amounts in ₹ Lakhs, unless otherwise stated) **Contd.**

2.3 Accounting policies for the Group are same as followed by the Company (TIL Limited) as indicated in Note 2 on Notes to Financial Statement of TIL Limited's Accounts for the year ended 31st March 2017, except as follows :

- Tangible and Intangible Fixed Assets of TILO are depreciated under the Straight Line Method over their estimated useful lives (being lower than the useful lives prescribed in Schedule II to the Companies Act, 2013 of India) as indicated below :

Category of Assets	Useful lives (in years)
Vehicles	5
Furniture and Fixtures	5

12.2 Ownership of a flat (cost ₹ 39 Lakhs) belonging to the Company in a Co-operative Housing Society is registered in the name of the Managing Director of erstwhile Spundish Engineering Limited.

12.3 Other adjustments during the year represents the following:

- a) Reversal of earlier revaluation performed by the Company as per requirements of paragraph 91 of revised Accounting Standard - 10. Since the Company has opted for the cost model, the previous revaluation has been adjusted in the revaluation reserve against the carrying amounts of such assets. This has resulted in decrease of ₹ 1,510 Lakhs from gross block and ₹ 866 Lakhs from accumulated depreciation and net amount being adjusted with revaluation reserve outstanding as on 31st March 2016 (Refer Note 4).
- b) Some of the assets which are used by the employees of the Company and its erstwhile subsidiaries were written off on disposal of the subsidiaries (refer note 31). Also certain assets were scrapped during year. 27.1 Employee Benefits

The Company has recognised, in Statement of Profit and Loss for the year ended 31st March 2017 an amount of ₹ 51 Lakhs (Previous year ₹ 76 Lakhs) as expenses under defined contribution plans.

Provident Fund :

The Company has an obligation to fund any shortfall on the yield of the trust's investments over the administered interest rates on annual basis. These administered rates are determined annually predominantly considering the social rather than economic factors. Based on the final guidance for measurement of Provident Fund liabilities issued by the Actuarial Society of India, the Company's liability at the year end of ₹ 39 Lakhs (Previous year ₹ 73 Lakhs) has been actuarially determined by an independent authority. The Company has contributed for the year ended 31st March 2017 an amount of ₹ 205 Lakhs (Previous year ₹ 294 Lakhs) as Provident Fund.

30.1 During the year, occurrence of certain events necessitated the management of the Company to undertake a comprehensive technical and physical evaluation of its inventories of traded goods and raw materials. The events that required the management for such evaluation are as follows:

- i) The Company successfully launched its own in-house designed and developed 'long boom' crane models to take on foreign competition. This new 'long boom' models helped the Company to arrest its decline in crane sales. However, this new design resulted in certain spares / raw materials getting obsolete and accordingly the Company wrote down the value of such inventories amounting to ₹ 2,454 Lakhs.
- ii) In the earlier years, when the road construction vertical was started, the Company had imported huge amount of such equipment and related spares; but later it was felt that the customers were not in favor of such equipment mainly due to their cost and usability for the local market. Accordingly, the Company took a write down of such inventories amounting to ₹ 3,323 Lakhs.
- iii) Apart from the above certain old inventories viz equipment spares, etc have been found to have become obsolete and redundant owing to lapse of time. As a matter of prudence, the Company has charged off those inventories amounting to ₹ 3,045 Lakhs.

Notes to the Consolidated Financial Statements for the year ended 31st March 2017

(All amounts in ₹ Lakhs, unless otherwise stated) **Contd.**

As indicated earlier, the inventory evaluation was comprehensively carried out by a third party with extensive inputs from the management. These factors resulted in a write down of inventories by ₹ 8,822 Lakhs. This includes write down of components and raw materials amounting to ₹ 5,394 Lakhs and trading goods amounting to ₹ 3,428 Lakhs.

30.2 As a result of regular monitoring for collections from its customers, the Company had identified certain after-market sales made to customers in earlier years in relation to which payment was not getting realised. The Company had entered into discussions with such customers. As a result, it was agreed to take back the inventories from these customers' at Company's cost. Resultant profit in such transactions have been written off. Inventories received have undergone extensive quality checks.

These cases are not recurring in nature and is over and above regular provisions taken for doubtful debtors.

31 DISCONTINUING OPERATIONS

The Board of Directors of the Company, at its meeting held on 21st April 2016, had approved the sale of its Caterpillar Dealership Business as a going concern. The sale proceeds were as follows:

- i) Sale of shares in wholly owned subsidiary Tractors India Private Limited (TIPL) [Book value ₹ 9,585 Lakhs as on 31st March 2016] for a consideration of ₹ 35,000 Lakhs.
- ii) Sale of shares at the book value, in the wholly owned subsidiary Tractors Nepal Private Limited (TNPL) [Book value of ₹ 75 Lakhs as on 31st March 2016].
- iii) Sale of specified assets and liabilities pertaining to the Caterpillar Dealership Business standing in the books of TIL Overseas Pte. Limited (TILO).
- iv) Incidental expenditure related to legal fees and valuations amounting to ₹ 170 Lakhs has been adjusted from the sales proceeds.

For this transaction the Company had executed a 'Share Purchase Agreement' with Goodearth Minetech Private Limited (GMPL). Consequently, the Company, vide its shareholders approval, disposed its Caterpillar Dealership business, which was run by Tractors India Private Limited and Tractors Nepal Private Limited that ceased to be subsidiaries of the Company on and from 1st April 2016.
