

we are running out of time

act now before it's too late

Before time runs out
**let's plant
some more
saplings**

**DON'T LET THIS BE
OUR FUTURE.**
SAVE OUR RAINFOREST, STOP GLOBAL WARMING.

World Environment Day (WED) is celebrated every year on June 5 to raise global awareness to take positive environmental action to protect nature and the planet Earth. It is run by the United Nations Environment Programme (UNEP).

It was established by the United Nations General Assembly in 1972 on the day that United Nations Conference on the Human Environment began. The first World Environment Day was celebrated in 1973. Since then it is hosted every year by a different city with a different theme.

World Environment Day falls in spring in the Northern Hemisphere and fall (rainy season) in the Southern Hemisphere, and midsummer in the Tropical regions.

This year the UNEP's focus is "Saving Small Islands". the event is being globally hosted by Barbados, a small Caribbean island, leading the way in solar energy. The Caribbean island, which is at the cutting edge of the fight against climate change, becomes the first Small Island Developing State to host World Environment Day. The theme for this year is 'Small Island Developing States and Climate Change', and the official slogan is 'Raise Your Voice, Not the Sea Level'.

World Environment Day at TIL Limited

At TIL, our goal is to be recognized as a profitable, innovative, well-managed industry leader with a strong focus on social responsibility and sustaining the environment.

Every year on June 05, we engage in adding a bit of goodness to our mother earth. Creating and spreading awareness among the TIL family and its associations, about global warming and how to make the earth a greener place, forms our primary motivation this day.

Birds are indicators of the environment. If they are in trouble, we know we'll soon be in trouble.

This year we plan to install “Bird Bath” in a few locations, for those tiny fellows with wings.

Celebrating World Environment Day 2014 at our branches

Taratolla

WED activities at Taratolla - Clockwise from top left

1. Shilpa Chakraborty, TIL Limited 2. R. Suresh Kumar, Caterpillar 3. Mohit Malik, Caterpillar 4. Senior Caterpillar Officials with Team Taratolla.
